New Conformity Determination due to 2035 RTP Update

- Last conformity
 - (done 12/09)
 - approved by TCEQ and EPA
 - still waiting for FHWA approval

- New TIP 2011-2014
 - comment period open from 5/25/10 to 6/24/10
<http://www.h-gac.com/taq/tip/default.aspx>

 - TPC will approve TIP on 6/25

New Conformity Determination due to 2035 RTP Update

- RTP
 - Changing project list
 - Plan needs to be fiscally constrained
 - The revenues are significantly lower in comparison with previous estimates primarily due to expected decreases in state and federal motor fuel tax receipts that are the result of increasing fleet fuel efficiencies.
- Timeline: RTP will go to TPC in July or August for opening of public comment and adoption will be not later than October

Control of GHGs for Mobile Sources

- Many draft bills circulating in congress about climate change
- “Methodology for Estimating Green House Gas Emissions and Assessing Mitigation Options for Project and Regional Level Applications for on-road Mobile Sources”
- Project included in amended UPWP – for approval 6/25 by TPC
- Funded by H-GAC planning funds and TxDOT, HARC
- Work will be done by H-GAC and TTI
